About Hawa AG: Always a guarantor of top quality

Ever since it was founded 50 years ago, Hawa AG has stood for outstanding workmanship, precise manufacturing and high quality. Of course, we have and always will bank on Switzerland as a production location in every regard.

For our business philosophy remains founded on typical Swiss values such as safety, precision and excellent quality of service.

The concept

Furniture doors that pivot, fold and slide in to disappear into astonishingly small parking spaces: this is how to create multi-functional room solutions for the kitchen, home office, media walls, walk-in cabinets and many more applications in next to no time. Especially as the two systems, namely HAWA-Concepta and HAWA-Folding Concepta can be flexibly combined.
